HOW TO USE THE FACT BOOK

Throughout the year, the Office of Institutional Research and Planning produces various statistical reports and graphs about Westchester Community College. This booklet is simply the result of "scooping up" most of the reports produced during the calendar year 1998 and making them available in one easy-to-use collection.

To make the *FACTBOOK* user friendly, we devoted some time to developing the Table of Contents. The statistical reports and graphs are categorized under specific topics, such as *enrollments*, *faculty*, or *remedial education statistics*. If a report covers two topics, we have, in some cases, included a copy in both sections. A separate page number has been given to each report.

We welcome any questions you might have, and hope this will be a helpful source of recent facts and statistics about Westchester Community College.

ACHIEVEMENTS:

- Westchester Community College ranks among the 30 community colleges in the SUNY system: sixth in total credit student enrollments, and first in non-credit enrollments. We had a Fall, 1998 headcount of 10,603 students in credit classes, and a like number in non-credit courses.
- Diversity of the student body: a 56 percent of the total credit student body is female, and 35 percent students of color. In the 1998 graduating class, students were born in 39 other countries.
- Colleges to which Westchester Community College students have successfully transferred include all the other colleges in Westchester County, and to Wharton, Harvard, Vassar, Cornell, Columbia, Stanford, and Dartmouth.
- Percent of those who go straight to work upon graduation, and remain right here in Westchester County: 79%. They work for virtually all the major corporations in the County, small businesses, government, hospitals, etc.
- Average salary earned by first-time employees upon graduation from the College: $33,000.
- DSS clients are being placed in work settings. 88 percent of the JobSTAR graduates have been placed in positions which have enabled them to get off welfare: 97 percent of their cases have been closed for a year or more. WESTCHESTER COMMUNITY COLLEGE (34000)

- The College's physical plant consists of 218 acres which includes 20 buildings, approximately 25 acres of parking lots and approximately 22.7 acres of athletic fields.

- All our public facilities have been made handicapped accessible.

- In addition to the lovely 218 acre campus, 13 off-campus sites offer courses to both credit and non-credit students. Over the past quarter of a century, the College has offered classes in over 33 public schools from Yorktown to Yonkers, 31 companies from AT&T to Texaco, 40 civic associations from the American Red Cross to the Yorktown Chamber of Commerce, in over 18 public libraries, from Armonk to Yonkers, in 4 penitentiaries, in 23 hospitals, and in 13 nursing homes. Accessibility is our watchword.

- The public uses the College facilities for more than just courses. Last year over 300,000 individuals used the facilities for meetings, from the American Heart Association's Save a Heart Program, to the BOCES Conference on Education, to the Lower Hudson Valley Citizen Bee Competition, the National Conference of Christians and Jews meeting, a free concert by the New York Philharmonic Orchestra, the Teachers College Roundtable on Quality Schooling, meetings of the Westchester Photographic Society, the Westchester Personal Computer Users Group, and many others.

- Cost per student in comparison to our sister 29 SUNY community colleges: $600 less!

- The College provides continuing education to the populace of the County. On-site courses in business and industrial locations, distance learning via television and computer, and other novel ways bring the College closer to the people.

- The Westchester Community College Foundation raised $2.3 million dollars from private sources for the Annual Fund and the Partners in Education campaign; distributed $480,000 in scholarships and $5,000 in emergency aid to students; established seven new $75,000 faculty chairs; actively involved 150 volunteers in campus projects; sponsored thirty-five "friend and fund raising" events; and established a Native Plant Center, the first affiliate of the Lady Bird Johnson Wildflower Center in Austin, Texas.

- The Office of College-community Relations expanded the College's Web site; initiated new print, electronic media, and public relations campaigns; instituted a series of new publications; and expanded the College's Speakers' Bureau.

- The Cultural Arts Fund expanded its outreach by sponsoring a greater number of mulit-cultural performances for students and the community at large at the College.

- 100% of students (total of 40) completing EOC's EMT-D program passed State Certification Exam.

- Developed and implemented two new certification program including Computer Service Technician A+ Certification and Nurse Technician Program which leads to certification as EKG and Phlebotomy Technician.

- Enhanced and redesigned ESL program to transition students into vocational training program. Enhancements include appointment of an Assistant Professor/Coordinator, and Assistant Professor/Counselor (Spanish Speaking).

WCC STUDENT SUCCESS RATE

BASED ON CALCULATIONS ESTABLISHED BY THE
STUDENT RIGHT TO KNOW ACT

FALL 1995 COHORT

Using the guidelines set forth by the federal *Student Right to Know Act*, the completion rate for first-time, full-time students enrolled initially at Westchester Community College in Fall 1995 in a degree program who graduated within 3 years or transferred to a 4-year college without graduating is 397 out of 1,282 or **31.0%**.

This is not the complete picture, however. Our studies show that many students take longer than three years to complete a degree. For example, of the first-time, full-time students who began in Fall 1995, **214** or **16.7%** were still enrolled in Fall 1998. If these students are included, a total of 611 students or **47.7%** have or are experiencing *student success* at WCC.

1995 WCC First-Time Full-Time Students	Number	Percentage
Total Number of Students in Cohort	1,282	
Graduated Within Three (3) Years	209	16.3%
Transferred without graduating**		
Private	110	8.6%
SUNY	78	6.1%
Total Transferred	**188**	**14.7%**
Total Graduated or Transferred	**397**	**31.0%**
Persisters	214	16.7%
Total Success Story in 1995 Cohort	**611**	**47.7%**

*All students in this cohort are strictly defined by the *Student Right to Know Act*. They include those who were: (1) first-time students in Fall 1995; (2) attended full-time (12 credits or more); (3) were enrolled in a degree program in Fall 1995; and (4) graduated or transferred to a four-year college within three years (June 1998). Students who *transferred-in* to WCC in Fall 1995 are not included, nor are those who graduated in a Certificate program or were not enrolled first semester in a degree program.

**All transfers in this figure transferred to a four-year college.
